**Purpose:**

This guideline is to insure that members and employees responding to a mutual aid call for an ice or water rescue is qualified to respond.

**Guideline:**

Any member or employee responding to a mutual aid call for ice and water rescue must be checked off as a diver, gumby or rope tender by the dive team leader. Personal not checked off will not be allowed to respond to the scene unless other needs are requested (i.e. EMS, Chief).

When the boat is taken to mutual aid, the boat operation guideline must be followed.
